### Professional Experience

#### Senior Developer, Byte Care Limited

August 2024 – Present

- Lead a backend team, handling everything from planning to launching software.
- Worked closely with frontend, QA, and DevOps teams to finish projects on time.
- Integrated complex features such as payment gateway, SMS gateway, and live chat system.
- Collaborated with a couple of developers using Git (branching/merging), managed server setup, and created/maintained databases.

#### Senior Developer, Ezze Technology Limited

March 2022 – August 2024 (2 year 6 month)

- Designed strong backend systems to make apps more reliable.
- Fixed important bugs to improve app performance and user experience.
- Collaborated with frontend and QA teams to ensure smooth project delivery.

#### Backend Developer, Bangla Puzzle Limited

January 2021 – February 2022 (1 year 2 Month)

- Built main features for web and mobile apps.
- Added third-party APIs to increase app functionality.
- Created and deployed secure RESTful APIs (PHP/Laravel with JWT) for smooth frontend-backend connection.
- Supported deployment and performed manual testing to ensure apps ran smoothly in production.
